The Big Story: Meet Pete!

Ever wondered about voice acting? Or about the people behind the voices of your favorite animated characters? If you have, or are just looking for a fun way to spend an evening, the Events committee has the thing for you!

Actor and voice actor Pete Renaday, best known for his role as the voice of Master Splinter in the 1987 version of *Teenage Mutant Ninja Turtles*, will be joining us from California via Skype to talk about his experiences as both a voice actor and an actor and to share entertaining stories from his extensive career. Pete will also field questions from the audience at the end of the presentation.

Pete has done numerous voice-over and acting roles for Disney films, TV shows, theme park attractions, video games, toys, and record albums. Come "Meet Pete" and find out about the world and work of voice acting!

The event will be held in the Starr Theatre at CTG. Tickets are \$7 each and may be purchased in advance. All advance ticket orders will be held at Will Call. Tickets at the door will be \$10, so order ahead. Proceeds will benefit the Dunleath Historic Neighborhood's Porchfest.

We need your help for Porchfest!

Plans are underway for the second ever Dunleath Porchfest, which is scheduled for Saturday, June 9 from 12-5 pm. Last year's event was a success, and we're asking for your help and participation to make it even better this year.

Offer to your porch as a stage. If you're a musician or part of a band, offer to perform. Suggest a band or other performance group. Make a donation to offset some of the anticipated expenses. Volunteer to help. Anything you can do will be greatly appreciated!

Coming together is one of the things our neighborhood does best! Look for an email soon asking how you'd like to be involved. We look forward to hearing back from you!

If you know of any other new neighbors who need to be welcomed, please let Lewis Dancy know at lewis.dancy@gmail.com or [919-622-3790](tel:919-622-3790). This includes new homeowners as well as new renters in the neighborhood!

Help our School!

Part of being a good neighbor is looking out for people in our community. And there are students that attend Swann Middle School that need our help.

Swann's social worker recently told board members they have numerous very low-income students that attend the school. These students need the basic supplies that will help them get through the school year. Pens, pencils, notebooks, backpacks: if it's in the school supply section, they need it.

Please consider buying some of these items during your next shopping trip. If you are able to do so, contact Lewis Dancy at 919-622-3790 or lewis.dancy@gmail.com. Lewis will schedule a time to pick up those purchases the morning of Saturday, March 24th.

Thanks for your support of our neighborhood school!
